

Specialized Substance Abuse Supervision (SSAS) Quarterly Report:

Date Range:
April 1 - June 30, 2020
(unless noted)

SSAS is a specialized supervision program that works with high risk substance use clients. This intensive case management approach, addresses individual client needs as it relates to their high risk behaviors and substance use issues. The supervision process includes: drug testing, programs and services, immediate sanctions, and incentives that are all utilized to assist clients in changing their behavior and moving on to recovery.
